Wall Pockets

Applique - RMK1135SCS

Not only are these blue and green dots bright and eye-catching... they're functional, too! Some are cut so you can fold half of an inner circle unto itself to create a small pocket that can hold light, flat objects. Use the pockets to hold notes, pictures, movie tickets, CDs, cards... the list goes on and on! Others can be used as frames: the dots have been designed so you can completely remove the center and apply a picture behind the circle! Like all RoomMates designs, our wall pockets can be applied onto any smooth, dry and clean surface. Great for bedrooms, dorm rooms, classrooms, kitchens, offices, or even bathrooms. Guaranteed to make people talk!
